## CAPT. DOVENER

Will Address a Large Meeting at  
Benwood To-night.

FRIDAY "BIG DAY" AT CANTON.

And Wheeling Will Probably Have Several Clubs in Line in the Big Parade. The Array of Speakers for the Occasion Will be the Greatest Meeting of the Campaign—Six Footers Getting in Line. Elkins Cadets Meet To-night.

To-night the citizens of Benwood and vicinity will be treated to a speech by Captain B. H. Dovener and as the congressman has never failed to draw large crowds in Benwood, and as the voters there are more interested in the outcome of the election this year than ever before, one of the largest meetings of the campaign may be looked forward to. Two years ago Captain Dovener's vote was a gain of over 600 in Marshall county and the interest manifest all through that county this year indicates a gain even over that vote, and Benwood will aid in giving it.

The captain has arguments that can not be successfully answered, and he has a way of putting them that is convincing; the result is that when you hear him once you want to hear him again; this accounts for the immense crowds that flock to his meetings.

Mr. Pendleton spoke in Benwood Saturday night and said several things which will no doubt receive attention at the hands of Captain Dovener to-night. It will be an interesting meeting and a number of Wheelingites will go down to take it in.

The meeting will be held in the city hall and will be called to order at half-past seven.

Of all the big days Canton has had, or will have this campaign, next Friday will be the biggest and there is a movement on foot to have Wheeling well represented there on that day. The Elkins Cadets will decide to-night whether they will go or not, and it is very probable they will decide favorably. The Sixth Ward club, the Dovener and Atkinson clubs of the Eighth ward, the Tariff Champions and the colored club, will also consider the matter and it is more than likely all will go. If they do, or even if only one club goes, a band will be taken, and it may be set down that the Wheeling boys will make a great showing.

The Canton citizens are making great preparations for the reception of the clubs that will be there from all over the country, and one of the greatest political parades ever seen in Ohio is looked forward to. The parade will take place in the afternoon and an immense mass meeting will be held in the evening. Among the speakers announced are Hon. Thomas H. Reed, ex-Senator John J. Ingalls, Senator Thurston, Governor Levi P. Morton, Governor Hastings, Governor Bushnell, and Governor Bradley.

It is probable that at least three meetings will have to be held and the above named gentlemen will address each of them. The railroads are offering a very low excursion rate from every point, and the fare from Wheeling has been announced at \$1.50 for the round trip. At this rate every club should go and turn-out in the Canton demonstration with its full membership. What a sensation it would create to see all the clubs named turn out equipped handsomely as they are! It will be a great day in Canton and will be worth the trip to see.

As was stated in the Intelligencer, the Republican county committee has engaged the hall in the Odd Fellows' building, and has placed it at the disposal of all Republican clubs desirous of meeting there. They have assigned the hall to the use of several organizations for the following nights: Elkins Cadets, Monday; Colored Republicans, Tuesday; Tariff Champions, Thursday. The H. C. Richards Six Footers and the old soldiers have applied for a night and have their choice of Wednesday or Friday evenings. The Six Footers will select their regular meeting night to-night.

The H. C. Richards Six Footers will meet in the police court room to-night at 7:30 o'clock, when all members are urged to be present. The uniform committee will report to the club and show samples of the uniform which it has decided to recommend for adoption. It is a neat and very attractive one, and above all it is cheap, and within the easy reach of all the tall Republicans who desire to join. There are already seventy-six names on the roll and the membership is limited to one hundred, so all who want to get in the ranks should be present at to-night's meeting.

The Colored Republicans of Ohio county, will meet at the Odd Fellows' hall to-morrow night to complete the organization of their marching club. Good speakers will be on hand and every colored man in the county is invited and urged to be present.

Captain B. H. Dovener has changed his assignments at New Cumberland and Wellsburg. He will speak at Wellsburg, Tuesday night and New Cumberland Thursday evening. Quite a number of Republicans will go to Wellsburg to-morrow night to hear him.

Colonel J. W. St. Clair will speak beneath the shadow of Dan O'Brien's pole to-morrow night, and will tell the Popocrats why they should vote for him as elector-at-large on the Bryan-Sewall-Watson ticket.

Hon. David Healy, of New York, and Hon. P. B. Laird, of Brooklyn, will address the Republicans and sound money voters of Elm Grove to-morrow night and their reputation as convincing campaign talkers should insure them a large crowd.

Hon. Patrick O'Farrell, who created such a favorable impression at Mozart Park on Republican day, will speak in the Sixth ward next Friday evening, and it goes without saying he will be listened to by a large audience of voters, not only from that ward, but from all over town.

The Clay-Union district club will meet to-night at Blachoff's hall on Eighteenth street, when interesting business will be transacted. Every Republican living in either district is invited and urged to be present.

It is reported that the Bryan silver club is thinking of adopting a different uniform at first decided upon, owing to the Elkins Cadets having informed the red fire boys in that outfit.

The Logan Republican club will meet to-night at 7:30 at the new headquarters in the old chapel, South Broadway, for the transaction of important business. All Island Republicans are invited to be present.

Candidate Bryan will speak in Wheeling, Thursday, October 1. The idea is to have an afternoon meeting on the state fair grounds and a parade at night. He will come in over the Baltimore & Ohio and leave over the Ohio River railroad, speaking at all stations along the road.

A large Polish Republican club was organized in Benwood Saturday night by John Nalkowski. The attendance was large and the club starts out under the most favorable auspices. The

name adopted is the American Protection Political Liberty Club, of Benwood, and the leaders say that the membership will number one hundred voters before election day. The following officers were elected: President, John Lubbe; secretary, C. Bradowib; treasurer, Joe Baribh.

We want more money and all we want that is legal tender we are preparing a Boy Cot on all hole sale houses that opposes the means of purchasing power we want our bills paid and want the people to regain their power to buy.

### A MARSHALL TRAGEDY.

Two Cousins of the Pelly Family Have a Long-Standing Feud—One Fatally Injured—Officers After the Murderer.

Bloody Kansas in Marshall county, about four miles from Moundsville, on Roberts' ridge, was the scene of a tragedy on Sunday morning. In that neighborhood live a number of families named Pelly. For years back trouble has been existing between members of these families and often has nearly resulted in a fatality.

Yesterday the long looked for end of the quarrel came when John and Jack Pelly, two cousins, met and continued the family disturbances. John went out prepared to meet Jack and when things were up to fever heat he fired a shot from a rifle at Jack. The ball struck him on the left elbow, mashing it and breaking his arm. It then cut out and penetrated the left breast, finally lodging in the right side, where a surgeon probed and cut it out. The man was still living several hours after, but the shooting will probably cost him life. His arm will have to be amputated.

The report of the tragedy was taken at once to Moundsville, the county seat, and officers started out to capture the would-be assassin, but at a late hour last night had not returned with their man.

### EMANCIPATION DAY

Celebration at the State Fair Grounds will be a Big Event.

It begins to appear certain that the tri-state celebration of the thirty-third anniversary of the Emancipation Proclamation of President Lincoln, on the state fair grounds in this city, will be an event of great interest and which will draw to Wheeling more colored people than have ever before assembled here. The celebration will attract large delegations from all over West Virginia and from Pennsylvania and Ohio.

The celebration festivities will occur on Tuesday of next week, September 22. The committee in charge, of which Dr. B. H. Stillyard is chairman, and Osborne Gray secretary, is making extensive preparations for the reception and entertainment of the large number of visitors. Already the committee has secured one-half rates on all railroads entering Wheeling.

The first feature of the day will be the great street demonstration, in which thousands will participate. In the afternoon there will be speaking and amusements at the fair grounds. At night at Turner's hall a banquet will be given in honor of the distinguished visitors expected to be present. The committee will be at the state fair grounds to-morrow afternoon, when persons desiring to secure stands on the "midway" can do so. Bkls can be sent to Dr. Stillyard, too.

### The Flints This Week.

The Grand Opera House should be packed to-night by a select audience to witness the opening performance of the celebrated Flints who have gained a reputation throughout the world as being the greatest living professional hypnotists. They have traveled the world over and have astonished the most critical scientific men with their wonderful power. Professor Herbert Flint stands the unchallenged head of the hypnotic world, and he performs feats, never before attempted. Accompanied and assisted by his wife, he furnishes an evening's entertainment the equal of which is hard to find. It is both instructive and amusing and their engagement this week at the Grand will no doubt be a profitable one.

### Mr. Truxell's Funeral.

The funeral of Henry Truxell took place from his late residence, corner of Twenty-third and Chapline streets, yesterday afternoon at 2 o'clock, and was very largely attended. Welcome A. O. U. W., of which the deceased was a member, turned out in large numbers. A special choir consisting of Messrs. Clemens, Bowen, Fyfe and Dowler sang several hymns and the services were very impressive. The interment took place at Mt. Wood cemetery.

### A New Front.

Mr. F. H. Lange has decided to add many improvements to the building at present occupied by Harper & Bro., on Main street. A new and modern front will be put in and many changes made in the interior of the building. After the improvements have been made the building will be occupied by the same firm.
